As a patient, you are responsible for:

- Providing, to the best of your knowledge, accurate and complete information about your present health status and past medical history and reporting any unexpected changes to the appropriate physician(s).
- Following the treatment plan recommended by the primary physician involved in your case.
- Providing an adult to transport you home after surgery and an adult to be responsible for you at home for the first 24 hours after surgery.
- Indicating whether you clearly understand a contemplated course of action, and what is expected of you, and ask questions when you need further information.
- Your actions if you refuse treatment, leave the facility against the advice of the physician, and/or do not follow the physician's instructions relating to your care.
- Ensuring that the financial obligations of your healthcare are fulfilled as expediently as possible.
- Providing information about, and/or copies of any living will, power of attorney or other directive that you desire us to know about.

Advance Directives

Regardless of any Advance Directive or instructions from a health care surrogate or Power of Attorney, an unexpected medical emergency, which occurs during treatment at this facility, will be aggressively managed with resuscitative or other stabilizing measures followed by emergency transfer to the closest emergency room. The receiving hospital will implement further treatment or withdrawal of treatment measures already begun in accordance with patient wishes, Advance Directive, or healthcare Power of Attorney. Acknowledgement of this policy does not revoke or invalidate any current healthcare directive or healthcare Power of Attorney. You can download Advance Directive forms from the following website: https://www.caringinfo.org/planning/advance-directives/by-state/

Financial Disclosure

We are required by law to inform you of this ownership interest. You have the right to choose the provider of your health care services, including the facility where your procedure will be performed. You may elect to have your procedure performed at a different facility, if you prefer.
